# Emerging Technology For Bioremediation Of Metals

**EMERGING TECHNOLOGY FOR BIOREMEDIATION OF METALS** - *Emerging Technology For Bioremediation Of Metals (FREE)* Emerging technology Status Potential applications Related articles Aerogel: Hypothetical, experiments, diffusion, early uses: Improved insulation, insulative glass if it can be made clear, sleeves for oil pipelines, aerospace, high-heat & extreme cold applications - Wed, 17 Apr 2019 02:12:00 GMT Bioremediation - an overview | ScienceDirect Topics Chemosphere - Journal - Elsevier Biomining - Wikipedia Biomining is a technique of extracting metals from ores and other solid materials typically using prokaryotes or fungi. These organisms secrete different organic compounds that chelate metals from the environment and bring it back to the cell where they are typically used to coordinate electrons. It was discovered in the mid 1900s that microorganisms use metals in the cell. (PDF) Phytoremediation of Heavy Metals Using Transgenic ... Academia.edu is a platform for academics to share research papers. Internet-Based and Classroom Training - ITRC The Mining Waste training course identifies and evaluates emerging and innovative technologies that can cost-effectively and successfully be used to characterize, remove, treat, reuse, or stabilize mining, milling, processing, and smelting wastes and mining-impacted water. Phytoremediation of heavy metals assisted by plant growth ... Phytoremediation is an emerging green technology that is used for the uptake of vast quantities of heavy metals from soil and storage of these in a harvestable (removable) component (Ma et al., 2011, Greipsson, 2011, Kamran et al., 2014). Plants typically cope with contaminants by changing the properties of soil, which conserves soil efficacy and fertility (Mench et al., 2009). What is the limit for total petroleum hydrocarbons in soil? I think this question is not easy to answer because it very much depends on the legislation. Here in Germany values differ depending on the "pathway of action" of the contaminant, for example soil ... (PDF) 1998-Salt-Phytoremediation | Darto Masdarto ... 1998-Salt-Phytoremediation.
