Employment Opportunities | Marian University A list of all current employment opportunities at Marian University including administration, faculty, IT, athletics, and security positions. Postmodernism - Wikipedia Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ... HP Measure Magazine From 1963 to 2000, Measure magazine was the voice of HP to its employees and associates. Published "For the people of HP," the award-winning magazine chronicled the culture and achievements of HP from 1963 to 2000, when our print publication moved to the Web. Engineering - Wikipedia Engineering is the application of knowledge in the form of science, mathematics, and empirical evidence, to the innovation, design, construction, operation and maintenance of structures, machines, materials, software, devices, systems, processes, and organizations. The discipline of engineering encompasses a broad range of more specialized fields of engineering, each with a more specific ...
