Kindergarten Readiness: 71 Things Your Child Needs to Know My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up. Why A High-Fat Diet is Healthy and Safe - Mark's Daily Apple A couple weeks back, I wrote about the top 8 most common reactions you get when people hear you don't eat grains, and I offered up some concise responses to those reactions. It was well received, so I thought I'd do the same thing for "your high-fat diet." If you thought having to explain ...
